## Selection Test Tutoring

At Aldridge Premier Tuition Limited, we specialise in preparing children for selective school entrance tests. Centre Directors, Amy Dunning and Matthew Prosser have been tutoring pupils for 11+ exams for many years. Their unique insights has been utilised to help children avoid common mistakes, learn vital exam techniques and maximise their chance of being offered a place in a selective school.

All the teachers we employ are trained to give children the chance to perform to their potential on the day of the test. Each child is tutored for the particular test they are taking and therefore will work on Verbal Reasoning, Non Verbal reasoning, Maths and English skills according to the schools requirements.

All children are given a free assessment to establish if they have a realistic chance of being prepared for the tests they are proposing to take.

If you would like any further information or advice about selective school exams please do not hesitate to phone us on 01922 453732
